

Triple *"The fastest and best grouping arrow in it's class"*

CARTEL Triple 500 A-2 MADE IN KOREA

A parallel aluminium/carbon arrow shaft produced from a core of 7075 pure grade aluminium wound with an outer layer of highly elastic high density carbon.

The Triple is manufactured to provide superior resistance to crushing, bending and splitting yet is as thin and light as possible so as to provide maximum performance, durability and minimum wind drift.

POINTS:

- Cartel Triple break-off
Designed in conjunction with Alternative Services. All points feature 2x 10grain break-off segments. Sizes 300 to 700 start at 110grains, 800 and 900 are 100grains, 1000 and 1100 are 95grains.
